

THE COCONINO SUN.

I have used Ripans Tabules with so much satisfaction that I can cheerfully recommend them. Have been troubled for about three years with what I called bilious attacks coming on regularly once a week. Was told by different physicians that it was caused by bad teeth, of which I had several. I had the teeth extracted, but the attacks continued. I had seen advertisements of Ripans Tabules in all the papers but had no faith in them, but about six weeks since a friend induced me to try them. Have taken but two of the small 5-cent boxes of the Tabules and have had no recurrence of the attacks. Have never given a testimonial for anything before, but the great amount of good which I believe has been done me by Ripans Tabules induces me to add mine to the many testimonials you doubtless have in your possession now.

I want to inform you, in words of highest praise, of the benefit I have derived from Ripans Tabules. I am a professional nurse and in this profession a clear head is always needed. Ripans Tabules does it. After one of my cases I found myself completely run down. Acting on the advice of Mr. Geo. Bowler, Ph. G., 58 Newark Ave., Jersey City, I took Ripans Tabules with grand results.

Miss Anna WIDMER.

Mother was troubled with heartburn and sleeplessness, caused by indigestion, for a good many years. One day she saw a testimonial in the paper endorsing Ripans Tabules. She determined to give them a trial, was greatly relieved by their use and now takes the Tabules regularly. She keeps a few cartons Ripans Tabules in the house and says she will not be without them. The heartburn and sleeplessness have disappeared with the indigestion, which was formerly a great burden for her. Our whole family take the Tabules regularly, especially after a hearty meal. My mother is fifty years of age and is enjoying the best of health and spirit. She eats hearty meals, an impossibility before she took Ripans Tabules.

A new style pocket containing THE RIPANS TABULES packed in a paper carton (without glass) is now for sale at some drug stores—FOR FIVE CENTS. This low-priced sort is intended for the poor and the economical. One dozen of the five-cent cartons (12 tabules) can be had by mail by sending forty-eight cents to THE RIPANS CHEMICAL COMP. Y. No. 10 Spring Street, New York—or a single carton (THE TABULES) will be sent for five cents. RIPANS TABULES may also be had of some grocers, general storekeepers, news agents and at some liquor stores and barber shops. They banish pain, induces sleep and prolong life. One gives relief.

If you speak evil of a man in his absence, it's cowardly; and if in his presence it's dangerous.—J. E. P., in Chicago News.

I have been a great sufferer from constipation for over five years. Nothing gave me any relief. My feet and legs and abdomen were bloated so I could not wear shoes on my feet and only a loose dress. I saw Ripans Tabules advertised in our daily paper, bought some and took them as directed. Have taken them about three weeks and there is such a change! I am not constipated any more and I owe it all to Ripans Tabules. I am thirty-seven years old, have no occupation, only my household duties and nursing my sick husband. He has had the dropsy and I am trying Ripans Tabules for him. He feels some better but still in some time, he has been sick so long. You may use my letter and name as you like.

Mrs. MARY GORMAN CLARK.

I have been suffering from headaches ever since I was a little girl. I could never ride a car or get into crowded places without getting a headache and sickness of stomach. I heard about Ripans Tabules from an aunt of mine who was taking them for enlarged of the stomach. She had found such relief from the pain she had always been too weak to take them, so I have been using it ever since October, and will say they have easily cured my headache. I am twenty-nine years old. You are welcome to use this testimonial.

My seven-year-old boy suffered with pains in his head, constipation and complained of stomach. He could not eat like children of his age do and what he did eat did not agree with him. He was weak and of a saffron color. Reading some of the testimonials in favor of Ripans Tabules, I tried them. Ripans Tabules only relieved but actually cured my young son. The headaches have disappeared, bowels are in good condition and he never complains of his stomach. He is now a red, healthy-faced boy. This wonderful claim of Turners to Ripans Tabules. I am satisfied that they will benefit any one from the cradle to old age if taken according to directions.
